Message from the President

Hi All!

Despite global climate weirdness, it definitely looks like another summer coming up, and with it, more time to show off our Corvairs!

The Big News is the 2007 Corvairitis Treatment Day to be held concurrently with Kamloops Hot Nite In The City on August 10 and 11. A Yuma Yellow registration form is enclosed with this newsletter. Three downtown city blocks and side streets are closed off for this event with space provided for a maximum of 450 vehicles. Let's try to have at least 50 Corvairs! There is a full-o-fun poker run on the Friday evening to fully familiarize yourselves with this near desert like city. Because of the climate, you know it ain't gonna rain on our parade! Kamloops also has an excursion train and a wild animal park and a water slide park and a nude beach and a beautiful river walk and an Olympic pool, amongst other nice amenities that any small bustling city would have.

I would dearly love to see more members join Western Canada Corsa from Alberta, Saskatchewan, and Manitoba. Please let me know if you have any cool Corvair events on the flatlands, or if you suddenly find several mint shape Corvairs last seen in the loading area at the GM plant parked in the middle of a deserted field near Balgonie, Saskatchewan, or if you have a picture of the only Corvair in Springstein, Manitoba. If it has anything to do with Corvairs, tell me about it so I can tell Agnes so she can tell everyone! By the way, the field of Corvairs near Enderby, BC went to the crusher about 6 years ago, just before I joined WCC.

See you in August!

Too-dles,
Merv Krull
